General

Preparations were completed for implementation and operation of 3A20, the sixth Adams County paramedic ambulance stationed at 16th and Vermont. A ribbon cutting was held and the unit went in service at 7:30 a.m. on May 3rd. Seven full-time staff were hired; five were existing part-time employees while two were hired from outside the department. Five are EMTs and two are paramedics. 3A20 alternates calls with 3A15 and 3A16 in Quincy. A "First Week Report" is attached.

First Week Report of Operation – Six Ambulance System

3A20 went in service at 7:30 a.m. May 3, 2010 and is assigned to the Quincy station as a third paramedic ambulance and the sixth county unit. 3A20 and its crew cared for six patients during the first shift out.

During the week of May 3rd to May 10th, Adams County Ambulances responded to 140 calls for service. 124 calls were in Quincy and resulted in 116 emergency patient transports with six LDT or invalid coach transports. Sixteen of the calls were in rural Adams County; all of those resulted in patient transports.

- 3A15 – 40
- 3A16 – 36
- 3A20 – 40
- 3A17 – 8
- 3A18 – 6
- 3A19 – 2
- 3A11 – 4 (LDT)
- 3A26 – 2 (LDT)

Eleven instances occurred when all three Quincy units were handling calls during the same time or dispatched calls for service were overlapped within a twenty minute window. In two of the instances fire department first responders would typically have been dispatched under the former system. During the night of May 4th, five of the six paramedic ambulances were on details at the same time in various parts of the county, all being dispatched within a 20 minute window of time.

Quincy Fire Department also reduced the number of EMS calls to which they'll respond effective May 3rd. After much discussion among officials from Quincy Fire, Adams County EMS, Quincy Area EMS system medical director and the Quincy/Adams County 9-1-1, QFD modified its EMS response policy. Engine companies will respond only to those calls determined by the emergency medical dispatcher to be life threatening. According to estimates from 9-1-1 and QFD this should reduce fire engine responses by about 350 calls per year. With the new ambulance system in place the number of fire department first responder calls is also expected to decrease.

The EMS response policies at Tri-Township and Payson Fire Districts remain unchanged.
